Perfect Hair

Indicates a natural and healthy con-  
dition of the scalp, and of the glands  
through which nourishment is obtained.  
When, in consequence of neglect or dis-  
ease, the hair becomes weak, thin, and  
gray, Ayer's Hair Vigor will strengthen  
it, restore its original color, promote its  
rapid and vigorous growth, and impart  
to it the lustre and freshness of youth.

I have used Ayer's Hair Vigor for a  
long time, and am convinced of its  
value. When I was 17 years of age my  
hair began to turn gray. I commenced  
using the Vigor, and was surprised at  
the good effects it produced. It not  
only restored the color to my hair, but  
so stimulated its growth, that I have  
now more hair than ever before.

THE REAL SUCCESS OF THE UNPARALLELED SUCCESS  
OF THE CHICAGO DAILY NEWS may be  
found in two distinguishing characteristics,  
which more than anything else have con-  
tributed to its remarkable growth.

First—It is a Daily Paper for Busy People.  
The people of the busy West appreciate keen-  
ly the necessity of an intelligent knowledge  
of the world's daily doings, but they are too  
busy to waste valuable time in searching  
through a cumbersome "blanket-sheet" news-  
paper for the real news of art, literature,  
science, religion, politics, and the thousand  
and one things which make up modern civi-  
lization. They want news—all the news—  
but they don't want it concealed in an over-  
whelming mass of the trivial and inconsequen-  
tial. It is because THE CHICAGO DAILY NEWS  
is "all news and no chaff" that its circulation is  
so great—a million a week.

Second—It is an Independent, Truth-telling  
Newspaper. The people demand a fair, im-  
partial, independent newspaper, which gives  
all the news, and gives it free from the taint  
of partisan bias. With no more political in-  
clination to gratify, no "ax to grind," the im-  
partial, independent newspaper may truly be  
called a "guide, philosopher and friend" to honest  
men of every shade of political faith; and this  
is why THE CHICAGO DAILY NEWS has to-  
day a circulation of over "a million a week."

THE CHICAGO DAILY NEWS now adds to  
these two comprehensive elements of popu-  
larity, a third, in its unparalleled reduction  
of price to ONE CENT A DAY.

It is always large enough—never too large.  
THE CHICAGO DAILY NEWS is for sale by  
all newsdealers at One Cent per copy, or  
will be mailed, postage paid, for \$5.00 per  
year, or 25 cents per month. The farmer  
and mechanic can now afford, as well as the  
merchant and professional man, to have his  
metropolitan daily.

Republican County Convention.

The Republican county convention, for the  
purpose of nominating Republican candidates  
for county offices of Ada county, will be held  
at Caldwell, in said county, on  
SATURDAY, SEPT. 29th, 1888,  
and will convene at the hour of 10 o'clock, a.  
m., sun time.

The apportionment of delegates for the sev-  
eral precincts is as follows: Boise, 15; Green  
Meadow, 2; Union, 2; Lower Boise, 2; Dry  
Creek, 2; Middleton, 2; Caldwell, 4; Nampa,  
2; Kuna, 1; Emmett, 3; Stuart, 2; Payette, 5;  
Pomeroy, 2.

It is directed that the primary elections in  
the several precincts be held on Saturday,  
September 22d, 1888; that in all precincts ex-  
cept Boise the polls be open from two o'clock  
to six o'clock p. m., and that in Boise pre-  
cinct the polls be open from two o'clock to  
seven o'clock p. m.

By order of the Republican County Central  
Committee. CHAS. H. REED,  
D. HERON, Sec. Chairman.

COUNTY POLITICS.

The Tribune erred last week when  
it stated the Hon. Silas W. Moody,  
Territorial Supt. of Schools, was a  
candidate for the office of Probate  
Judge, subject to the Republican  
convention. It is the nomination  
for District Attorney which he seeks,  
and right here it would not be  
amiss to say that he is as well qual-  
ified for the position as any man in  
his party. Geo. Silas, old boy!

The school ma'ams in these parts  
are solid for you!

When the Statesman says there  
are no candidates out as yet for the  
legislative ticket, it undoubtedly  
means that there are none from  
Boise City. Hon. D. L. Badley is  
making no secret of the fact that  
he is a candidate. If a clean and  
able record as a member of the last  
Assembly counts for anything, he  
is worthy a renomination.

Another week has passed away,  
without any alarming increase of  
Democratic candidates. The boys  
seem to be making a still hunt.

For the Council: It is reliably  
stated that W. A. Coughanour, the  
popular Payette lumberman, is a  
candidate.

I. N. Coston, well-known in  
Boise Valley, is also receiving some  
support.

And last, but by no means least,  
is the candidacy of that grand old  
Democratic war horse, the Hon. H.  
C. Riggs of Payette Valley. One of  
the pioneer Idahoans, and ever  
abreast of the times, Mr. Riggs  
would undoubtedly make a strong  
fight for the position.

"Reminiscences of the Anti-  
Chinese Crusade of 1886," will be  
title of a forthcoming book from  
the pen of our esteemed fellow-  
townsman, Mr. C. W. Cooper. The  
prefatory will be written by one  
Funkhouser, of Boise City, and Dr.  
Callaway will contribute the ap-  
pendix. Copious extracts from the  
author's great speech at Five Mile  
—the reverberations of which will  
go ringing down the centuries—are  
given. For the information of  
Cooper's companions in misery that  
fall, be it known that he is now  
shouting for Harrison.

Political and General.

Five hundred strikers and fifty  
women at Allasac, France, started  
to hold a meeting Sunday. Find-  
ing the way to the meeting-place  
placed blocked with infantry with  
fixed bayonets, the women rushed  
forward, calling the men to follow.  
Six were wounded and the infantry  
fell away. The victorious strikers  
then held their meeting.

Governor David B. Hill was re-  
nominated by the New York Dem-  
ocrats Wednesday. Notwithstand-  
ing the protests of the mugwumps,  
the nomination was unanimous by  
acclamation.

Prof. Richard A. Proctor, the  
noted astronomer, died in New  
York City, Sept. 12, of black vomit.

Vermont returned a republican  
majority of 28,000 at the state elec-  
tion last week. The largest for  
years.

Returns from the Maine election  
held last Monday, indicate a repub-  
lican majority equal to that cast for  
Blaine four years ago—20,000. The  
entire republican congressional de-  
legation is re-elected.

Charles Voorhees has been re-  
nominated for Delegate to Congress  
by the Washington Territory dem-  
ocrats.

John Robinson's circus train was  
run into by a freight train near Cin-  
cinnati Sunday morning. Four  
men were killed and eighteen  
wounded.

Fire destroyed five blocks of the  
business portion of San Francisco  
Sunday. Loss, \$1,250,000.

THE FIRE "CHESTNUT."

A Baker City Paper Sprung It With  
Startling Effect.

On Tuesday evening, Sept. 4th,  
the day before the disastrous fire  
at Baker City, the Reville said:

"It is somewhat of a chestnut,  
but we wish to warn our citizens  
against fire. If a fire should start  
now, it would be a miracle if a sin-  
gle building were left standing in  
the town. No water in the wells,  
no water in the river, and no rain  
for over a month. The situation is  
an alarming one. Look out for  
fire."

And how many times has The  
Tribune doled out the self-same  
chestnut to the people of Caldwell!

While we sincerely trust that any  
of our aforesaid chestnuts will  
never be followed by such terrible  
results as was the case of the Rev-  
ille's warning, still no one can tell  
at what hour the fire fiend will get  
in its deadly work in our midst.

With an abundance of water in  
wells; with plenty of water in Boise  
river; and with water in our irri-  
gating ditches most of the year—in-  
fact with volumes of water in sight—  
the business portion of Caldwell to-  
day would be completely at the  
mercy of the flames should a fire  
break out.

Why not provide practical means  
for fighting fire? Has anyone de-  
vised a better method than that  
proposed by Mr. F. L. Olmstead  
through these columns last spring?

The Tribune has not heard of any.

But why not adopt Mr. Olm-  
stead's plan, which was, in brief,  
to take water from the railroad tank?

The principal expense would be in  
the purchase of 500 to 800 feet of  
hose necessary to cover the busi-  
ness portion. The height of water  
in the tank, varying from twenty-  
five to forty-two feet, under natu-  
ral laws alone, would force a stream  
over most of our business houses,  
and when reinforced by the pump  
would cover the highest buildings  
in the town.

The Tribune can point to more  
than one instance where our citi-  
zens have paid more and got less  
than they would for this invest-  
ment for protection against fire.

Shall this chestnut go unheeded?
